

# Usage Instructions

MeasureUp Inc., Product Registration Instructions

1. Go to <https://account.measureup.com>
2. If you are a first time user, create an account
3. Log in and go to your Learning Locker. Once you are in your Learning Locker, click the **Register Key** button on the Learning Locker tool bar.
4. Enter the product key in the box exactly as it was provided. Usually, the key contains fifteen numbers followed by a dash (-) and then up to four more numbers.
5. Read the License Agreement and accept it if you agree. You can read the Software License Agreement by clicking on the **License Agreement** button.
6. You will see a message that confirms the key has been inserted successfully. Go to Locker.
7. Your test is now available and you can begin. Click on the cube and then the blue **Begin Test** button of the product you wish to use. Follow the instructions.
